

A map of California showing major faults and seismic hazard percentages. The map includes labels for faults such as Rodgers Creek Fault, Hayward Fault, San Francisco Bay Area Fault, San Gregorio Fault, and others. Percentages are shown in orange boxes: 27% near Sonoma, 21% near San Francisco, 10% near Palo Alto, 3% near Danville, 11% near Gilroy, and 27% near Santa Rosa. A scale bar and north arrow are also present.
